Complete solutions for power generation

Project Data Sheet - Yanacocha, Gold Mine - Peru 8 MW

Equipment:	10 x Power Modules XQ1750 - 3516 @ 1450 kWe
Location:	Pajuela - Peru
Electrical Output:	8,000 kWe
Application:	Base Load Power Generation for Mining
Operation:	Base Load 24 Hour/Day
Fuel:	Diesel
Contract Period:	7 Months
Installation:	April 2001

Energy International, Inc.
